KOMATSU

GENUINEPARTS

Quality Matters

30% MORE wear life with Komatsu Genuine Undercarriage

GENUINE UNDERCARRIAGE

Engineered and designed for
RELIABILITY, DURABILITY AND SUPERIOR WEAR LIFE
Komatsu undercarriage solutions for all your specific applications

Why Buy Komatsu Genuine Undercarriage?

BEST PERFORMANCE @ LOWEST COST PER HOUR

SAFETY BENEFITS

QUALITY OEM PRODUCT

SUPERIOR HARDENING DEPTH

LONGER LIFE

LOWER COST PER TON

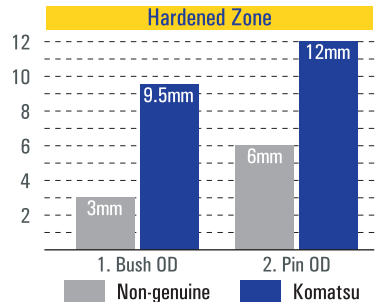

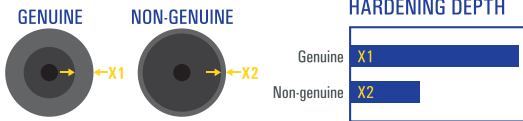

REDUCED DOWNTIME

HIGHER MACHINE AVAILABILITY

GREATER HARDENING DEPTH

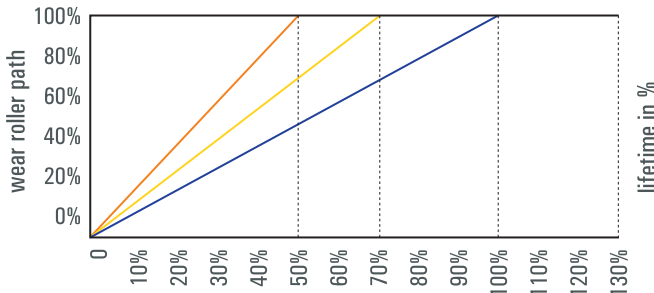

Greater hardening depth means longer component life. Komatsu Genuine Undercarriage components are engineered with the correct balance of hardness and depth for optimal performance and superior wear life.

WE SET QUALITY STANDARDS

Greater Hardening Depth = Longer Component Life

Lifetime Comparison Chart

30% MORE LIFE

- Komatsu
- Non-genuine 1*
- Non-genuine 2*

*The graph shows one example in one particular application. Any actual guarantee must be negotiated and will be based on actual digging conditions, travel ration and maintenance practices.
